Certificates

In our days, the success of modern companies is determined by quality - from production of products and services provided. In a modern market economy, the quality of its products becomes the main competitive and the advantage of any enterprise. Quality is the main tool in achieving sustainable success and well-being of any organization. Our company is focused on quality, which is the basis for prosperity, a tool that opens up new opportunities in an increasingly competitive environment.

"Täze Aý" is certified in accordance with international quality standards ISO 9001: 2015 and the food safety management in accordance with ISO 22000: 2018, IFS. The products completed with the "Halal" certification issued by the International Center for Standardization. This guarantees consistently high quality and safe use of modern technologies in production.

We have received permission to export to the People's Republic of China. We have a GACC certificate. 40 of our products have passed all checks and tests. Our company is the first and only one in Turkmenistan that has registered GACC.

The products of the confectionery plant are exported to the Russian Federation, China, Kyrgyzstan, Uzbekistan, Tajikistan, Azerbaijan, Georgia, Yemen, Iraq, Mongolia and Afghanistan. In the future, it is planned to enter the markets of European, African, East Asian and other countries.
